

Creative FLAIR

A HOME WITH BURSTS
OF COLOUR AND
STRIKING INTERIORS

BY TRISHA HARINATH • PROJECT CONSULTANT GLYNIS KEARNEY

The owners of this home wanted anything but grey interiors, and so this property shows off spaces with splashes of bright, bold hues that bring the interiors to life in a fun, creative, colourful and classy way. The property can be described as classic contemporary, and it is a feast for the eyes.

Whether you are downstairs taking in the living and entertaining spaces or upstairs embracing the more private family areas, there is something that will catch

your eye that you will fall in love with. The colours throughout the home were not just used as accents, but rather as standout features that give the interior a gorgeous, fresh character and aesthetic. Blue, yellow, orange, pink, green and more all come together in stylish ways to create unique spaces in which comfort is key.

In terms of a highlight feature in the home, one such space is the main bedroom's bathroom where a beautiful tub overlooks a windowed wall and shower, which have been finished with black powder-coated

frames that are nothing short of exquisite.

The flow of the home is natural, especially downstairs where each space leads into the next making entertaining a breeze. As an open-plan area, you walk through the entrance and make your way straight through to the kitchen and living room. This area then leads onto the patio, which overlooks the perfectly manicured landscape that surrounds the home. In terms of a favourite space, the pyjama lounge stands out, with its touches of yellow and green. This cosy space is finished off with a superbly comfy couch and TV, making it the ideal place to rest, unwind and let your stresses melt away. ■
